Special Rate Variation

At its December Council Meeting, Council resolved to lodge a notification with the Independent Pricing and Regulatory Tribunal (IPART) of Council's intention to lodge a Special Rate Variation (SRV). The SRV application will request approval for the 2008/09 SRV of the former Gundagai Shire Council to be made permanent.

Council commenced community consultation on 29 November 2017 seeking feedback from the community on the proposed SRV and thanks all residents who have responded to Council to date.

Residents are urged to have their say by completing the survey which is available on Council's website. Hard copies of the survey are also available from the Council offices and the Gundagai Library and Visitors Information Centre. Written feedback on the proposed SRV is also welcomed, with responses to be submitted to Council by 19 January 2018.

Council would like to remind residents that the proposed SRV is not related to the additional special rate variation approved in 2015 to fund the Gundagai Main Street upgrade, which will cease on 30 June 2025.

Any enquiries should be directed to Cootamundra-Gundagai Regional, Council Director Corporate Services Kate Monaghan on 69402100.
