ORDINARY COUNCIL MEETING will be held on Tuesday 28 May 2019 in the Council Chambers, Gundagai. Members of the public are invited to address Council on any local government issue at the commencement of the meeting.

FINDING LOST DOGS MADE EASY

Council's Regulatory staff, in conjunction with a local information technology consultant, have developed a new system that allows Council to record movements of Companion Animals (Cats or Dogs) that are dealt with by Councils Rangers. The webpage provides real time data, a photograph, where and when an animal is located and picked up by the Rangers. This information is automatically posted to Councils website giving pet owners immediate confirmation as to the possible whereabouts of a missing cat or dog. The webpage logs movements from the time the animal is picked up, to the time it is returned home or adopted. An owner of a missing cat or dog can view the information at any time of the day or night. The webpage also allows people to report their pet missing by completing the Lost Animal Form on Councils website, this immediately informs Councils Regulatory staff to be on the lookout for your missing pet. Check out the new webpage located at <https://www.cgrc.nsw.gov.au/your-services/regulatory/lost-found-animals/>

Impounded Animals

The following animals are currently being held at the Animal Care facility for collection and are available for adoption by the public. If you are interested in adopting any of the animals, please contact the Animal Care facility on 1300 459 689.

WATER REPLACEMENT PROJECT

Contractors, Killard Infrastructure, are progressing well with 10.5 km of pipe now laid in the ground, most of this is located south of Muttama Creek or east of the railway. 2.7km of these new pipes have been fully commissioned with adjacent residences connected. The main emphasis of the project over the next month or so will be to get the balance of the current in-ground pipes commissioned and fully operational. Restoration of road surfaces and concrete works is also a primary target during this period. Council has recently issued a new contract to Killards for the replacement of a further 1.2km of watermain in some of the streets in the Cameron Square area. Residents are reminded if you are experiencing issues with your water supply please report each issue to Council. Please call 1300 459 689 or message through Councils FB page and staff will address the issue.

GUNDAGAI WASTE FACILITY MANAGEMENT

Council is seeking Expressions of Interest for the management and operation of its Gundagai Waste Facility for a period of 12 months, June 2019 to June 2020. In association with the daily operation of the Gundagai Waste facility, there is also the management of four transfer stations. The Operating hours of the Gundagai Waste Facility are: Monday: 7:00 am – 11:00 am; Tuesday: Closed; Wednesday: 1:00 pm – 5:00 pm; Thursday: Closed; Friday: 7:00 am – 11:00 am; Saturday: 11:00 am – 5:00 pm; Sunday: 7:00 am – 1:00 pm. The Recycling/Waste Transfer Facilities are located at Muttama, Coolac, Tumblong and Nangus and are key entry secure sites. The Scope of Works included in this contract is relating to labour/management costs only and to be assessed by the applicant against the following work activities:

Manage and operate the facility in accordance with all Council policies and regulations; Opening & closing of the facility between the allocated operating hours; Inspection and management of every delivery into the facility in accordance with Council policy; Accept and manage all fees & charges associated with the acceptance of waste delivery in accordance with Council policy; Ensure that the facility is tidy, clean and safe at all times and that there is no litter blown around the facility and its boundaries; Arrange and manage the stockpiling, processing and disposal of all accepted materials e.g. green waste, steel, putrescible waste etc; Manage and maintain all associated documentation in accordance with the related regulations associated with the operation of a licensed waste facility; Manage and operate the recycling/waste transfer stations in accordance with council policy. Any interested parties wishing to carry out an inspection of the facility will need to make an appointment by contacting Cootamundra Gundagai Regional Council, Gundagai Office on 1300 459 689. On arrangement by the contractor all costs associated with the processing and disposal of waste/recycled materials will be covered by Council. All applicants must identify their qualifications and experience in relation to delivering this contract and an indicative contract 12 month fixed price with an additional hourly rate. All expressions of interests are to be lodged at the Gundagai Office between the hours of 9:00 am and 5:00 pm, Monday to Friday. **Closing date is 5.00pm Friday 24 May 2019.**

New Netball Courts for Cootamundra—Council proposes to construct two new netball courts in Nicholson Park using part of the funding supplied for that purpose under the Stronger Country Communities Fund (Round 2). The development will provide two courts compliant with current safety standards, complete with competition standard lighting and a small clubhouse. The location of the new courts is on the site of the current courts, with some minor enlargement to accommodate safe run-off areas. A plan showing the footprint can be found on Council's website or by visiting the Cootamundra office. Written comments on Council's proposal are invited and will be received until 4pm Monday 3 June 2019.

LOAD AND SPEED RESTRICTIONS ON BONGOLONG CREEK BRIDGE, BURRA ROAD—

Motorists traversing Burra Road in the vicinity of Bongolong Creek Bridge, approximately 18 kilometres from Gundagai, can expect to see new signage indicating reduction in speed and load limits for the bridge and surrounding area. Following recommendation from Councils Structural Engineer emergency restrictions will see the speed limit in the vicinity reduced to 20km per hour and a 3 tonne weight limit applied to the bridge. Steel plates to transfer vehicle loading will also be installed as a matter of urgency. Bongolong Bridge has been earmarked for replacement in Councils 2019/2020 Budget with procurement, design and environmental aspects of a replacement bridge being actioned as a priority. Any motorists requiring further information are encouraged to contact Council 1300 459 689.

Council has completed the installation of Lawn Niches in Cootamundra and North Gundagai Cemeteries. The single use niches are constructed from polished grey granite, once ashes are interred the grey lid is replaced with a black polished granite top etched with inscriptions and photographs chosen by the loved ones. Council has also purchased seating to be installed at Tumblong, Nangus, Coolac, South Gundagai and Gundagai North Lawn Cemeteries.
