PROJECT RECOGNISED BY PEERS

The 2019 Local Government Awards highlight exceptional achievements in local government across NSW. The awards focus on significant areas of the industry including leadership, environment, community, operational performance, partnerships and more. Council's project for the Gundagai Main Street Upgrade was named a finalist in the Asset Management and Infrastructure Initiatives - Projects over \$1.5 million category. Ten CGRC representatives made the trip to Sydney to attend the event. The winners of the category were Lismore City Council / South Lismore Sewage Treatment Plant Upgrade.

Helen Castles Book launch 'Scoop McLaren' Saturday, 13 July 2019 from 10:30am-12:00pm Cootamundra Library

WORKS REPORT

Work on the Justin Street kerb replacement has seen the kerb replaced along the southern side and removal of the old kerb along the northern side. Work is currently underway on preparing the kerb foundation along the northern side with the new kerb expected to be poured by the end of the first week in July. Final tidy up of the kerb returns into Parker and Murray Streets will follow. Pavement repairs and resealing along the kerb will take place once the road base has consolidated. Work on the Turners Lane causeway is progressing with the box culverts and upper concrete deck now in place. The next stage will be to reconstruct the roadway approaches either side of the causeway. This project is being funded from the Roads To Recovery Program. Preliminary work is underway on Old Gundagai Road with the removal of vegetation completed. Due to the realignment of the roadway around the curves by approximately 1.5 meters to the west, some of the existing vegetation required removal. Council will undertake revegetation with new trees to be planted along the new road batters to offset the removal of this vegetation. Pipe and culvert extensions are underway on this project. This project is also being funded from the Roads To Recovery Program. Maintenance grading and gravel resheeting is continuing on Brawlin Road. Shoulder grading is also continuing along Old Cootamundra Road. Council will be holding a meeting with all registered sporting and recreation groups interested in working with Council on matters relating to sporting fields and recreation facilities. One member from each club or group is invited to attend. The initial meeting is to be held at the Alby Schultz Centre, Cooper Street on Thursday, 4 July 2019 at 6:00 pm. If your club or group wishes to participate please contact Council on 1300 459 689. Council are in the process of reviewing current policy documents and associated procedures regarding the operation of the Cootamundra Waste Depot located in Turners Lane. As a part of this review and until the Waste Strategy has been completed and adopted, it has been determined that access outside of normal operating hours be restricted to Council and contracted employees only. Residents are advised due to increased reports of vandalism and antisocial behaviour, security cameras will be installed at the Fisher Park Grandstand and the Cootamundra Skate Park. These cameras are motion activated and footage is stored remotely which and will be accessed when required.

COOTAMUNDRA POOL SWIPE CARD — Council encourages residents who use the Cootamundra Town Pool to purchase a Members swipe card for ease of entry into the Pool. The swipe card is passed over a scanner on the gate to allow entry, without the need for patrons to carry cash. The swipe cards are available from the Pool only and can be purchased with cash for 12 months, four months or ten visit entry from date of purchase. Single entries will still need to pay cash. Disabled and Aged Pensioners along with seniors, adults and children are catered for in the pricing scale. The new entry system will provide pool usage data.
