

## PUBLIC MEETING TO FORM FRIENDS OF GUNDAGAI GOAL S.355 COMMITTEE

In 2016 Council received funding through the Office of Environment and Heritage to conduct a masterplan and interpretive works at the Old Gundagai Gaol. This worked culminated in the completion of the Old Gundagai Gaol Masterplan in July, 2018, however, the document is yet to be formally endorsed by Council. In May 2019 Council received advice from the Office of Environment and Heritage that the State Listing of the Old Gundagai Gaol has been progressed to the Minister for determination. Council has received a request from the community to reinstate the activities of the Friends of the Old Gundagai Gaol (FOGG) Committee. Previously operated as an incorporated body due to a perceived need to keep separate finances from Council, the FOGG committee had operated tourism activities at the site and also assisted with maintenance of the building and grounds. As the Committee is essentially carrying out this function on behalf of Council, a Section 355 Committee is considered the appropriate structure and offers coverage under Council's insurance for the activities. Having the Old Gundagai Gaol Masterplan formally adopted will create a focus for activities of the committee and ensure that it is straightforward to meet obligations under the State Heritage Listing. A public meeting will be held at 6pm on Thursday 19<sup>th</sup> September at the Council Chambers in Gundagai to form the S.355 committee. All interested persons are encouraged to attend.

**DRAFT COMMUNITY PARTICIPATION PLAN (CPP)** - Council, as a planning authority, is required to prepare and adopt a community participation plan (CPP) for planning matters. The CPP is to provide details on the mandatory provisions for notification in accordance with Part 1 Schedule 1 of the Environmental Planning and Assessment Act 1979 (the Act) as well as any local provisions. The CPP is a plain English document which seeks to encourage effective and on-going partnerships with the community to provide meaningful opportunities for community participation in planning. The plan aims to give the community sufficient opportunity to participate in strategic planning, have a say on major development which may affect them and ensure that there is transparency in the decision making processes. The document is available from Councils website or by collection from Council offices. **Submissions are welcome and will be received by 4pm Friday 27 September 2019.**

**DRAFT KING STREET MASTERPLAN** - In 2018, Council received a grant from the NSW Office of Environment and Heritage to complete a heritage study and revitalisation plan for Wallendbeen. This draft masterplan is the result of the grant funding allocated for the revitalisation plan. The Cootamundra-Gundagai Regional Council (CGRC) Villages Strategy 2018 identifies Wallendbeen as having significant potential to develop as a tourism destination centred on celebration of the history of the former town and silo art. Council has been presented with a draft masterplan for King Street which seeks to revitalise the streetscape, integrate necessary and pressing stormwater upgrades and minimise maintenance requirements on Council for Wallendbeen overall. The document is available from Councils website or by collection from Council offices. **Submissions are welcome and will be received by 4pm Friday 27 September 2019.**
