

FORM C3**Mechanical Repairers**

Please fill out this attachment sheet if your business is involved in mechanical repair processes (and other services related to motorised equipment processes) that discharge liquid trade waste to the sewerage system. When complete attach to the Application form.

In the lists below, tick the 'business type' or 'processes' that best describe what your business does.

Note that there is an additional list at the end for 'associated processes', eg. take-away food at a service station.

<i>Tick</i>	Business Type
