

FOR IMMEDIATE RELEASE

30 MARCH 2021

Driver Reviver @ Cootamundra Heritage Centre

After a successful trial of a Driver Reviver Station held at The Cootamundra Heritage and Visitor Centre over the Christmas/New Year period. The dedicated volunteers have filled up the canisters and bought in supplies to again welcome tired drivers and visitors passing through Cootamundra and stopping at the Driver Reviver site.

Located on Hovell Street Cootamundra, the Heritage Centre and Visitor Information Centre is manned by a group of enthusiast volunteers who welcome visitors to this part of the region. The Driver Reviver station will be open every day except Good Friday over the Easter holiday period, and will operate throughout the April school holidays.

The trial proved that the welcome cup of tea or coffee and biscuits were very much appreciated by travellers.

The Driver Reviver service is becoming a household name among the travelling public and has been operating since 1990. Figures from Transport for NSW (TfNSW), report that about 1.1 million people stop at Driver Reviver sites across Australia each year and up to 1.7 million cuppas and 1.3 million snacks are consumed.
