

GREEN WASTE PROCESSING – Closed

Cootamundra-Gundagai Regional Council is seeking suitably qualified contractor who has the capability and knowledge to undertake organics grinding, shredding and screening services of green waste, kerbside organic, food organics (Gundagai only) and timber.

Organic material is in varying stages of processing, from large stumps and logs, to raw green waste material and mulch. These stockpiles are located at Council's waste facilities located at Turners Lane, Cootamundra and Burra Road, Gundagai.

Copies of the EOI can be obtained below.

Applications are to be emailed to procurement@cgrc.nsw.gov.au. Applications must include PDF copies of the following to be considered:

Please direct any questions to Wayne Bennett – Manager Waste, Parks & Recreation.

Applications close 2pm Friday, 20 November 2020.
