

RFT2020/05 – Operation and Management of the Cootamundra Materials Recovery Facility (MRF) and Wallendbeen and Stockinbingal Landfills – Closed 7 May 2020

Tenders are being sought for the Operation and Management of the Cootamundra Materials Recovery Facility (MRF), along with the Wallendbeen & Stockinbingal Landfills for a period of five (5) years, with an additional three (3) year option at Council's discretion, depending on Council's operational requirements at the time. Council has recently undertaken an extensive review of its entire waste operations and is now expediting the existing MRF operations component, which is currently being managed and operated by a contractor, for which the initial contract has expired.

All responses should be lodged via Council's Tenderlink Site at www.tenderlink.com/cgrc. Questions regarding this request should be asked via the tenderlink forum created for this request. Any other queries should be directed to Catherine Smith, Procurement Officer at 1300 459 689 or via email Catherine.smith@cgrc.nsw.gov.au. Prospective tenderers are reminded that canvassing Council staff or Councilors is strictly prohibited and may render any submission invalid.
