

TENDER ALBERT PARK – INCLUSIVE PLAYSACE REFERENCE RFT 2021/19

Cootamundra-Gundagai Regional Council and Variety – The Children's Charity NSW/ACT (VNSW) have formed a partnership to deliver an inclusive playspace at Albert Park in Cootamundra.

The playspace will be known as Variety Livvi's Place Albert Park. It will offer a unique and inclusive play experience, promoting play for everyone. Council requires a suitably experienced contractor to construct the playspace per the drawings and as part of the process, to provide shop drawings for the fort and ramp, the water and sand play, the entrance wayfinding sign and the brush tent.

The scope of works includes site preparation and establishment; bulk earthworks; drainage; hardworks including pavements; edges; furniture and fixtures including seating; picnic settings and shelters; bins; playground facilities including safety softfall surfaces; play equipment; and signage including a custom-made sign.

The work site will be managed by Council and some works will be completed by Council staff, including fencing, construction of earth mounds and softworks including planting, mulching, soil works and turf. All responses should be lodged via Council's VendorPanel Portal at [VendorPanel Public Tenders](#). Any queries regarding this request should be asked via the VendorPanel Portal. Prospective tenderers are reminded that canvassing Council staff or Councilors is strictly prohibited and may render any submission invalid.

Opens 10 June 2021 Closes Thursday 1 July 2021 @ 2pm
