

-FOR IMMEDIATE RELEASE-

20 June 2022

### SERVICES RELOCATION WORK TO COMMENCE FOR COOPER LANE, COOTAMUNDRA

Cootamundra-Gundagai Regional Council (CGRC) will commence with the first stage of service relocation work on Cooper Lane in Cootamundra, with the work expected to commence on Monday 4 July 2022 (weather permitting).

The first stage of works will be at the Bourke Street and Cooper Lane intersection. During the works, the Bourke Street and Cooper Lane intersection will be closed. This intersection will be closed for approximately 1-2 days, depending on the progress of works. The closure may be shorter than the time allocated. If so, access will be provided as soon as possible. During the closure, vehicles will be required to detour via Cooper Street or any other preferred route.

Further stages of service relocation works are anticipated in the near future, along the full extent of Cooper Lane.

The service relocation works are in preparation for upcoming kerb and gutter replacement and pavement repair works which will address drainage issues and improve the road surface in Cooper Lane.

Council apologizes for any inconvenience and appreciates your co-operation in following all restrictions and guidance in place during construction.
