

Transport for NSW Traffic Alert

12 SEPTEMBER 2022

Changed traffic conditions on Olympic Highway at Wallendbeen

Motorists are advised of changed traffic conditions at the railway overpass bridge on the Olympic Highway, north of Wallendbeen, which was damaged in a recent traffic incident.

Traffic control, including a lane closure and reduced speed limit, has been introduced for the safety of transport customers and workers carrying out repairs.

Temporary traffic lights and signage have been installed at both ends of the bridge and the speed limit reduced from 60km/h to 20km/h.

Motorists are advised to drive to the conditions and follow the directions of signs and traffic control.

Transport for NSW thanks motorists for their patience during this time and will keep the community updated on future work.

For the latest traffic updates download the Live Traffic NSW App, visit [livetraffic.com](https://www.livetraffic.com) or call 132 701.
