

# Transport for NSW Traffic Alert

---

16 JUNE 2023

## **Changed traffic conditions on Burley Griffin Way**

Motorists are advised of changed traffic conditions next week on Burley Griffin Way for safety improvements.

Work to install a safety barrier will be carried out at various locations between Wallendbeen and the Hume Highway to improve safety and reduce the likelihood and severity of crashes at these locations.

Work starts Tuesday 20 June and will be carried out weekdays and Saturdays from 6.30am to 6.30pm and will take four weeks to complete, weather permitting.

Single lane closures, traffic control and a reduced speed limit of 40 km/h will be in place for the safety of workers and motorists.

Motorists are advised to drive to the conditions, allow an extra five minutes travel time and follow the directions of signs and traffic control.

Transport for NSW thanks motorists for their patience during this time.
