POSITION VACANT

Bio Security Officer – Gundagai (Full time)

Applications are invited from enthusiastic and genuinely interested employees for the full-time vacancy of Biosecurity Officer to be based within our Gundagai Office.

This is a diverse role that would appeal to someone who has a passion for land protection, control processes and engaging with the community.

This opportunity will provide the successful candidate with the perfect balance between field and office-based work and is integral in delivering Council's weeds programs.

You will be a proactive individual with excellent interpersonal skills, and ability to liaise with a variety of internal and external stakeholders. Have initiative and ability to work autonomously, with the flexibility to plan your own work schedule, while also able to work as part of a multi-disciplinary team where required.

You will also have experience in the identification and control of various priority weed species, including the appropriate and safe application of herbicides and pesticides, the ability to keep records, compile reports and update Council Information Management Systems, including mapping.

Further information and a Position Description is available by contacting Human Resources on 1300 459 689 or Council's website www.cgrc.nsw.gov.au.

Applications, addressed to the General Manager should be submitted by 5p.m. on Friday 27th September 2024 by post to Cootamundra-Gundagai Regional Council, PO Box 420, Cootamundra NSW 2590, delivered to Council's offices at Cootamundra or Gundagai or by email to mail@cgrc.nsw.gov.au

NOTE: Applicants must adequately address the selection criteria contained in the Position Description. Failure to do so may result in your application not being considered. Applicants must also include a Resume.

<https://www.cgrc.nsw.gov.au/building-development-and-planning/heritage-matters/>

REPORTING OF DOG RELATED INCIDENTS:

Council Rangers are reminding all residents to **report any dog-related incidents to the Council**, no matter how small. Recent investigations into major incidents have revealed that some minor incidents were not reported, which could have helped prevent further issues. Reporting even minor incidents may help to reduce the chances of another event occurring and allow the Council to take appropriate action.

According to the NSW Companion Animals Act, a "dog attack" is defined as any dog that rushes at, attacks, bites, harasses, or chases a person or animal. **By reporting all incidents, you can contribute to a safer community for both people and pets.**

CYCLEWAY PLAN – YOUR FEEDBACK ENCOURAGED:

Council is currently developing a 10-year Cycleways Plan to align with the key principles and objectives identified in the 2022 Community Strategic Plan in achieving pathway network infrastructure and maintenance that respects community expectations and needs. The Plan is intended to provide the framework for developing cycleway routes that are intuitive and comfortable to use, separated from motor vehicles and pedestrians where needed, and designed to connect communities with important destinations across the region. Community consultation and feedback is vital in the development of the Cycleways Plan and Council thanks you for your participation. For more information and survey visit <https://www.cgrc.nsw.gov.au/community-engagement/>
