**CYCLEWAYS PLAN:**

Council is currently developing a 10-year Cycleways Plan to align with Council's key principles and objectives identified in the 2022 Community Strategic Plan in achieving pathway network infrastructure and maintenance that respects community expectations and needs. The Plan is intended to provide the framework for developing cycleway routes that are intuitive and comfortable to use, separated from motor vehicles and pedestrians where needed, and designed to connect communities with important destinations across the region. Community consultation and feedback is vital in the development of the Cycleways Plan. Simply click on the link below and answer 10 easy questions.
