Council Contact & Enquiries

Via Vendor Panel Only

RFQ Instructions – All Quotations are subject to the following requirements where indicated

- Quotations are to conform with the Specification
- All attachments must be completed and returned from page 3-6
- Quotations must detail manufacturer's name and model number of each item offered
- Quotations must provide detailed manufacture specifications and complete descriptive literature on each item offered
- Responses **MUST** be submitted in **one** PDF document only

Delivery and registration

1. The price submitted will include delivery to Cootamundra-Gundagai Regional Councils depot, Hovell Street Cootamundra and include the provision of the vehicles first scheduled service.

Transport for NSW – Requirements

All vehicles must meet all Transport for NSW (TfNSW) requirements. Any manufactured equipment i.e. modifications must be fitted with the necessary engineer's compliance plates.

Worksafe – Requirements

1. Council's operators and at least one of Councils maintenance staff are to be trained in the safe operating procedures of the vehicle/s and all their associated equipment.
2. The training will also include but not be limited to pre-start checks and daily maintenance.
3. A complete risk assessment for the vehicle/s is to be completed and provided to Council upon delivery. The risk assessment is to be incorporated into the training.

Warranty

Details of all warranties are to be submitted with response. All terms and conditions must be clearly stated and include detail of any non-genuine equipment fitted along with any extended warranty that may be available.

Manuals

All vehicles shall be supplied with the following manuals on delivery:

1. One workshop manual, complete with electronic, engine and transmission details including systems operation and disassembly and assembly
2. One spare parts manual
3. Two operators manuals

Delivery

The anticipated delivery timeframe is to be clearly shown in response

Australian Content

The response should clearly set out the Australian content represented in the trucks offered

Quotation Evaluation

Council will seek to obtain best value for money in any purchasing activity. Some items that will be considered in evaluating responses are price, operation, mechanical assessment, product support, supply and delivery date and WH&S. Note this list is not exhaustive.
