VILLAGE WASTE TRANSFER STATIONS -GUNDAGAI AREA:

Residents who have tag access for village transfer stations are to ensure the below guidelines are followed:

- Electronic Tag: Use only an allocated electronic tag to access the transfer stations. New or replacement tags for eligible residents can be obtained at the Council's office in Gundagai. (Cost may be applicable)
- Eligible Waste: The transfer stations accept general domestic waste & recycling products only. The depositing of any other waste such as White goods, electrical equipment, batteries, silage wrapping, fencing materials & other commercial waste, is not accepted. For disposal of all commercial waste residents are asked to visit the Gundagai Burra Road Waste Depot.
- Recycling Initiatives: The Council aims to increase recycling efforts, by promoting environmental sustainability. All residents are asked to sort their waste & recycling prior to delivery & to ensure that the waste does not contain hazardous or potentially dangerous items such as batteries & chemical products.

The collection day for the Tumblong & Nangus transfer Stations is scheduled each Monday & each Wednesday for the Coolac & Muttama Transfer stations. Residents should be aware of these collections days & note that once the bins are full, they are not to leave any waste at the sites outside of the bins provided. Fines & access cancellation may be applied to those who fail to use the sites correctly.
