Road Closure – First Avenue, Gundagai

Cootamundra-Gundagai Regional Council (CGRC) will be continuing
Water Mains Replacement in First Avenue, Gundagai

Time of Work

Our work is planned to commence on 28 September 2026 and, weather and ground conditions permitting, take up to 2 to 3 weeks to complete.

Day Works

Our daytime work hours are 7am to 5pm, Monday to Friday. We won't work on Weekends or on Public Holidays.

What is expected?

We know our work can be disruptive, so we will make every effort to reduce any impact our work may have on you.

Impact on your service

Your water service may be temporarily interrupted at different stages of the project. If you are affected by the shutdown, you will receive a separate letter with more information.

Noise

During our work, there will be some noise from our plant and equipment (including a saw cutter and jackhammer) and machinery.

Traffic and parking changes

Our work will take up space on the road. Our Traffic Management Plan will help maintain traffic around our work areas while keeping you safe. As part of this work, First Avenue will be closed between Homer Street and Byron Street.

Only local traffic will be allowed.

Temporary Laydown Areas

The contractor will establish temporary laydown areas for this work in Homer Street. These areas will be used to store equipment, materials and amenities for the construction crew. The contractor may borrow some parking spaces on the street for the construction machinery and skip bins.

Maintaining driveway access

Access in and out of some driveways on First Avenue may be limited at times. Our friendly construction crews will doorknock if you are impacted and help you in and out of your driveway if needed.

Restoration

We will temporarily restore the road and verge to allow for continued use. When work is complete in all areas, a permanent restoration will commence.

Council will undertake a letterbox drop to affected residents.

If you have any questions or concerns about the work, please contact the Council at
mail@cgrc.nsw.gov.au or 1300 459 689.
