

ORDINARY COUNCIL MEETING:

Notice is hereby given of the CGRC Ordinary Council Meeting to be held **Tues 28 July 2026** commencing at **6:00pm** in the Council Chambers, Sheridan Street Gundagai. Refer to Council's website for business paper.

ROAD WORKS:

Drainage construction works along Olney Street, Cootamundra have commenced. **Work hours will be 7:00am to 5pm Monday to Friday & 7am to 3pm Saturday.** Temporary traffic control & minor delays may occur. Some noise; dust, & general construction activity should be expected. Council apologises for the inconvenience the works may cause.

AUSALERT TESTING:

Please be advised that **AusAlert** will be conducting a National Test at approximately **2:00 pm Mon, 27 July**. AusAlert is Australia's new emergency warning system. During these tests, mobile phones will emit a **10 second loud, siren-like sound & vibrate**. The message will clearly state it's a test. You do not need to take any action.

BRADMAN'S BIRTHPLACE AGM:

To be held on Wednesday 19 August 2026 @ 11am at Bradman's Birthplace, Adams Street, Cootamundra. All Welcome to attend.

ELLWOOD'S HALL AGM:

Stockinbingal Ellwood's Hall s.355 Committee AGM will be held on Monday, 27 July 2026 @ 5:30pm at Ellwood's Hall. All Welcome to attend.

COOTAMUNDRA HERITAGE CENTRE AGM:

To be held on Monday 3 August 2026 @ 4.00pm at the Heritage Centre, Hovell Street, Cootamundra. All Welcome to attend.

COOTAMUNDRA AERODROME USERS:

The Pro Street Challenge event is scheduled to be held at the Aerodrome on the 1-2 August inclusive.

TENDER – WATER & SEWER MAINS REPLACEMENT IN GUNDAGAI 2026-2027 RFT2027.1:

Council is seeking suitably qualified contractors for the replacement & renewal of water & sewer mains within the Gundagai township during the 2026–2027 period. The works will include the supply of labour, plant, materials & associated services required to undertake water & sewer infrastructure upgrades in accordance with the specifications & scope of works outlined in the tender documentation.

Tenders can be viewed at, & submissions should be made through the VendorPanel Portal at VendorPanel Public Tenders. Tenders close 14 August 2026 at 2pm. Council welcomes current & potential subcontractors to register with VendorPanel.

ROAD CLOSED: ADAMS STREET COOTAMUNDRA:

Adams Street between Cutler Avenue & Northcott Avenue will be closed to all traffic from **8 July 2026** due to safety concerns over the deteriorating causeway.

The closure is expected to remain in place for **approximately six months** while repair works are completed. Residents & vehicles under 4 tonnes should use the detour via **Cutler Avenue & Northcott Avenue**. Council thanks the community for its patience & asks motorists to obey all traffic signage & drive to conditions.

FIRE HYDRANT INSPECTION & MAINTENANCE PROGRAM:

Council will shortly commence a comprehensive fire hydrant inspection & maintenance program across both Cootamundra & Gundagai as part of its ongoing commitment to maintaining a safe, reliable & resilient water supply network. The program will involve locating & inspecting hydrants, testing water pressure & flow rates, flushing hydrants, identifying defects & undertaking necessary maintenance work where required. **The inspections will cover approximately 800 hydrants in Cootamundra & 400 hydrants across Gundagai & South Gundagai.** Every effort will be made to minimise disruption; there may be occasional instances where water appears discoloured following hydrant flushing activities. This is a temporary condition caused by the disturbance of naturally occurring sediment within water mains. If residents experience discoloured water, **Council recommends running a cold water tap for several minutes until the water clears.**

The faster you go, the longer it takes to stop! Remember drive to the conditions, leave plenty of space & give yourself time to react.
A few kilometres slower could make all the difference—slow down & stay safe!
