BRIDAL CREEPER: (*Asparagus asparagoides*)

Bridal creeper is an invasive climbing vine that grows during autumn & winter. It smothers native vegetation, reduces wildlife habitat, prevents native seedlings from growing, & can impact orchard productivity & tree health. www.cgrc.nsw.gov.au/your-services/weeds/

FIRE HYDRANT INSPECTION & MAINTENANCE PROGRAM:

Council will begin a fire hydrant inspection & maintenance program across Cootamundra, Gundagai & South Gundagai to help maintain a safe & reliable water supply network. Approximately **800 hydrants in Cootamundra & 400 in Gundagai & South Gundagai** will be inspected, tested, flushed & maintained as required. While disruption will be kept to a minimum, hydrant flushing may occasionally cause temporary water discolouration due to disturbed sediment. If this occurs, residents are advised to **run a cold water tap for several minutes until the water clears.**

APPLICATIONS FOR LOCAL HERITAGE GRANTS:

CGRC has established a local heritage grant program with funding from the NSW Government. The program aims to encourage the conservation of heritage items within the Council's local government area & to promote a positive community attitude to heritage conservation.

Applications open Mon 27 July 2026. Applications close – 9am Mon 31 August 2026. For more information visit: www.cgrc.nsw.gov.au/building-development-&-planning/heritage-matters

COOTAMUNDRA GARBAGE COLLECTION NOTICE:

Due to mechanical issues, some Cootamundra residents may experience minor changes to garbage collection. **Please ensure bins are placed out for collection the night before your normal pick-up day.** Collection day will stay the same, however, pick up time may be earlier or later than normal. Changes are in place until further notice.

ROAD CLOSED: ADAMS STREET COOTAMUNDRA:

Adams Street between Cutler Avenue & Northcott Avenue will be closed to all traffic from **8 July 2026** due to safety concerns over the deteriorating causeway. The closure is expected to remain in place for **approximately six months** while repair works are completed. Vehicles under 4 tonnes should use the detour via **Cutler Avenue & Northcott Avenue.**

BIOSECURITY NOTICE: OPUNTIA SPECIES:

Thirty species of opuntoid cacti have naturalised in Australia, varying in form & habit. Several *Opuntia* species are present in the CGRC LGA, posing a risk to human safety & animal welfare. NSW regulation requires any risk posed by the plant to be prevented, eliminated or minimised. For more information scan the QR Code:
